

THE 2007 WEATHER CALENDAR

Weather Alert!

Threatening thunderstorms to sweet sunshine...whirling winds to fingers of fog—the *South Carolina Weather Calendar* offers fascinating weather facts and spectacular photographs for every month!

January through December, each month also offers important climatic information delivered in easy-to-read text and graphics from the S.C. Department of Natural Resources' Office of the State Climatologist.

Highlighting the Palmetto State's weather, fair and foul, this calendar will sell out fast, so order today! It's a perfect gift for the weather buffs on your Christmas list!

Just \$10 (plus \$2 shipping and handling for each calendar, with a maximum of \$10 shipping on calendars to one address).

To order, call toll free 1-888-644-9453!
